

Class: Starfish

Group: EYFS

Week beginning: 13<sup>th</sup> July 2020

To Starfish Class,

I hope that you are all well. This week the home learning is a little bit different as we are getting towards the end of the term.

I have added some spellings to look at throughout the week and some maths for each day.

There will also be a transition pack telling you a little bit about your class for September, and some activities that you can complete. It would be great if you could send any of your completed activities to me.

Miss Suarez

Can you practice  
spelling these tricky  
words?

If you fancy  
challenging yourself,  
can you write some of  
these words in a  
sentence?

Phase 2

the

to

I

no

go

into

Phase 3

he all

she are

we my

me her

be

was

you

they

# Monday

# Maths - Counting

Ask the people in your family to put their hands out in front of them. How many fingers are there altogether?

Can you count the total number of fingers by counting in 2's and 5's?

- 
- 
-

# Tuesday

# Maths - Building

Build the tallest tower you can. You could use lego, playing cards or anything else you can think of.

Can you build towers of different heights and name them tall, tallest, short, shortest etc

# Wednesday

## Maths - Sequencing

Can you discuss and draw pictures of things you do throughout the day in the correct order using the words 'morning', 'afternoon' and 'night' eg in the morning I get dressed etc

Could you identify some o'clock times with things you do eg at 5 o'clock I eat my dinner etc

# Thursday

# Maths - Collage Numbers

Can you create your own collage numbers? Either draw the numbers on paper and then use craft objects eg straws, lolly sticks etc to decorate over the numbers or cut out large numbers and collage those with different items.

Can you create some 2 digit numbers?

# Friday

# Maths – Hopscotch

Using chalks on the floor or on a large roll of paper draw a hopscotch and play the game using a stone or pebble to place on the numbers and practise your hopping and jumping.

Can you name one more or one less than some numbers?

## Other things that you can do this week:

### English

- Read – You can visit Oxford Owl for free eBooks that link to your child's book band and create a free account. You can then complete the linked play activities for each book.
- Phonics games - <https://www.phonicsplay.co.uk/>
- Writing your name daily.
- Practice reading and writing the tricky words on the following page.

### Maths

- Practice counting to 20.
- Practice writing numbers 0-10 and then 0-20.
- Watch a numberblocks episode each day on BBC Iplayer. Use this guide to help support you with what to do with each episode.  
<https://www.bbc.co.uk/cbeebies/joinin/numberblocks-help-your-child-with-maths>
